

ALX Sleep Hygiene Checklist

INSTRUCTIONS FOR THIS SLEEP HYGIENE CHECKLIST:

This activity is designed to help you develop a personalized sleep hygiene checklist. The aim is to identify practices and habits that will enhance the quality of your sleep, fitting them into your daily routine. By creating this checklist, you will have a visual guide to the steps you can take to improve your sleep, thereby boosting your overall well-being and productivity.

Step 1: Reflect on Your Current Sleep Patterns

1. I usually go to bed around ____1 am____ and wake up around ____9.30 am____. I usually get around __8__ hours of sleep per night. 2. It is easy for me to fall asleep when ____I use less of my phone____. 3. I have trouble falling asleep/staying asleep when ____its friday____. 4. What would you like to change about your sleep / sleep habits? Using my phone less

Step 2: Create Your Personalized Sleep Hygiene Checklist

	Sleep Hygiene Strategy
During the day	Be active and do physical exercises
The hour before bed	Meditate and do deep breathing techniques

Going to bed (List desired bedtime)	12 am
In bed	Relaxing myself
In the morning (List desired wake up time)	8 am
